

Appendix F
Summary of Montrose Settlements

- 1. Montrose, Aventis CropScience,¹ Chris-Craft & Atkemix (DDT Defendants) Consent Decree**
 - A. Entered:** March 15, 2001.
 - B. Payment Terms:** \$73,000,000 to be paid as follows: \$33,000,000 plus interest to the U.S. Environmental Protection Agency (EPA); \$30,000,000 plus interest to the Natural Resource Trustees (Trustees); \$10,000,000 plus interest (swing money) to Court Registry.
 - C. Other Terms:** Swing money goes to the Trustees in the event that EPA decides not to select any in situ response or remedial action.

- 2. Potlatch & Simpson Amended Consent Decree**
 - A. Entered:** August 9, 1999 (original consent decree entered May 19, 1992).
 - B. Payment Terms:** Original consent decree provided for \$12,000,000 to the Trustees in three equal payments, including interest on the first installment, over 4 years. The amended decree required that the Trustees transfer \$70,000 plus interest to the California Department of Toxic Substances Control (DTSC) and \$3,930,000 plus interest to EPA.
 - C. Other Terms:** The period for calculating interest for DTSC and EPA begins on January 4, 1996.

- 3. CBS Corporation (formerly Westinghouse) Consent Decree**
 - A. Entered:** August 9, 1999.
 - B. Payment Terms:** \$9,500,000 to be paid as follows: \$7,250,000 plus interest to EPA; \$2,250,000 plus interest to the Trustees.

- 4. Los Angeles County Sanitation Districts (LACSD) & Settling Local Governmental Entities Amended Consent Decree**
 - A. Entered:** August 9, 1999 (original decree entered April 26, 1993).
 - B. Payment Terms:** Original terms provide \$42,200,000 plus interest to the Trustees. Amended decree provides a total of \$45,700,000 to be paid as follows: \$21,860,000 plus interest to EPA; \$140,000 plus interest to DTSC; and \$23,700,000 plus interest to the Trustees.

¹Formerly Rhone-Poulenc, Inc. and corporate successor to Stauffer Chemical Co.
